Wallas 4030 contents:

- 33 L tank
- Red solid cap
- Black cap with hole
- Grey adapter piece

When using the 33 L tank, please follow these instructions:

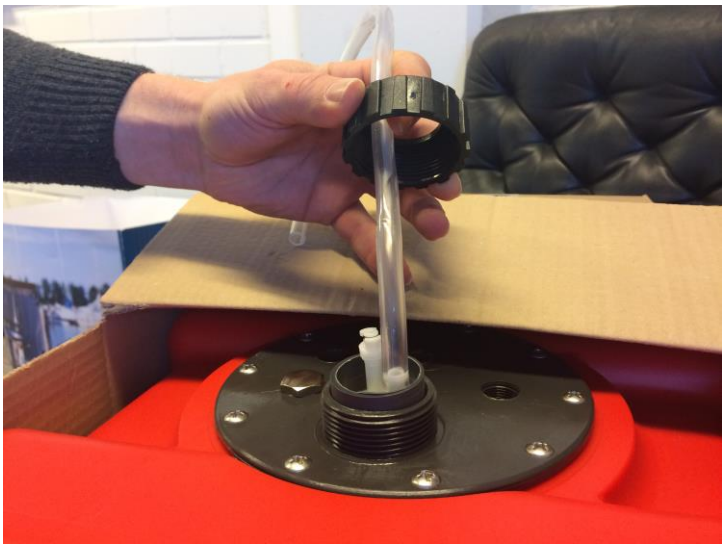

1. Take off the grey cap. You won't need it with 33 l tank.

2. Insert the tube into the tank.

3. Put the grey adapter and black cap on top of the white part when inserting it to tank.

4. Make sure the adapter is between the white part and black cap.

5. Place the black cap on top and close tightly.
