We are sound experts.

For over 30 years, BOSS Audio has been a leader and innovator in creating audio and video technology that brings clean and powerful sound to wherever our customers' journeys take them.

Headquartered in Oxnard, California, with offices in Shenzhen, China, BOSS leverages robust production and logistical capabilities to deliver more than 400 car, marine and powersports products. Sold in 130 countries, both retail and online, our International Sales Team provides expertise and support around the globe.

More than just a company that sells products, we share the passion for the car, marine and powersports lifestyles and are committed to living life at full volume with our customers.
